# About the Place

The Union Territory of Jammu and Kashmir is a great tourist destination. Picturesque and enchanting, Kashmir is cradled high in the lofty green Himalayas and hailed all over the world for its incredible natural beauty. Surrounded by mountain peaks, lush green valleys, glistening lakes, temples and spectacular Mughal-era gardens, it has inspired poets through centuries. Kashmir is crisscrossed by chinar tree-lined roads and quaint wooden bridges; and is home to bustling bazaars, sufi shrines and forts. Add to this, the charms of flavourful Kashmiri cuisine and apples and walnuts from the lush orchards surrounding it. In winter, Kashmir takes on a white glow, covered in soft snow and skiers making a beeline for its famous slopes. And in summer, as the snow melts, and the flowers in the meadows bloom, it resembles an artist's canvas.
